

# MATCHSTICK PUZZLES

Number of participants: individual or teams

Duration: unrestricted

Age Restrictions: more suitable for older children, 8+

Matchstick puzzles have been played in many countries around the world. These puzzles require logical thinking to solve them.

Space Requirements:

Flat table or ground, free of wind or other disturbances.

Supplies:

\* Puzzle cards and solutions

\* Matchsticks or small sticks

\*provided in kit

Activity Instructions:

Arrange the matchsticks according to the diagram provided, read the instructions for that puzzle. When you think you have a solution, have someone check on the other side of the card.
